## ***REASONS FOR ALLOWANCE***

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest a mounting bracket having a first portion that is fixed to the vehicle body adjacent to a region where the rear wall and one of the first and second side walls of the vehicle meet, the mounting bracket having a mirror arm holding portion that defines a receiving opening in which the mounting portion of the mirror arm is pivotally supported, the mirror unit being so mounted that the mirror unit is at least partially disposed outwardly relative to both the first side wall and the rear wall of the vehicle with the mounting arm having a range of movement so that it can swing the mirror unit toward either the first side wall or the rear wall of the vehicle from a normal position of the mirror unit as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
